Re: List of Conditionally Selected Candidates for MSc Engg. and MSc Materials Science Programmes

The following applicants are conditionally selected for the admission into the MSc Engg. and MSc Materials Science programmes of the Department of Materials and Metallurgical Engineering.

Final admission may require obtaining degree equivalence for students graduating from other degree programmes.

For registration and relevant information, please check notices in the BUET website and department's website.

Please check BUET website for updated information on academic schedules for April 2021 term.

All selections are strictly conditional and subject to verification of original documents. Any irregularities might lead to termination of admission.
